

**Alone we can
light up a room
—together we
can light up the
whole nation.**

Here is how we plan on bringing these HPC issues to light, according to our 2019–2022 Strategic Plan. Join us by writing a letter to your MP about what matters to you most when it comes to hospice palliative care in Canada.

✓ **ACCESS**

Promote access to learning opportunities and resources about hospice palliative care.

✓ **FUNDING**

Continue to find innovative ways to ensure financial diversification and sustainability.

✓ **ADVOCACY**

Advocate with all levels of government to promote and advance quality hospice palliative care policy.

✓ **AWARENESS**

Promote awareness and learning opportunities in quality hospice palliative care for diverse audiences across all sectors in Canada.
