The Memory Walk to the Memory Tree was held September 10 this year for the first time and all who participated expressed how much they loved this event. Those who walked met at the Penticton Rose Garden, wrote their departed loved ones name on a tag and the tag is tied onto a butterfly on a stake, they walked down Lakeshore drive up through the Farmers Market to the Memory Tree where they placed their butterfly in memory of their loved ones. Those who could only make it to the Community Market could also pay tribute to their departed loved ones by placing a Butterfly in the Memory Tree.

A MESSAGE FROM VOLUNTEER COORDINATOR LINDA BROOKS

I am looking forward to hosting our annual volunteer Christmas party this year. After 3 years of not being able to recognize all of our wonderful volunteers, it will be extra special to finally gather and celebrate your dedication. Our venue is the SS Sicamous which is lovely in itself but extra special during the Christmas season.

We are so grateful that all of you returned to your roles after COVID. It was like you never event skipped a beat. The Society, hospice house and this community are so very fortunate to have each and everyone of you on our team. You have given yourselves to this program for so many years. It is difficult to express in words what your support means to not only the residents and in our house but the staff as well.

I hope to see as many of you at the party as possible.

A MESSAGE FROM BOARD CHAIR Ruth Saywer

As we approach the end of 2022. The Hospice Society Board of Directors would like to express our appreciation to the Staff at Hospice House. Their unwavering dedication to the residents and families has been truly amazing.

Although the pandemic temporarily shut down our Volunteer program, our Hospice Society Staff, Linda, Kelsey and Judie soldiered on and were the glue that held the program together even though there were unable to work face to face with each other. Happily, the volunteers have stepped up and are back at Hospice doing what they do best, working with the residents and families offering peace and comfort.

We are indebted to the many generous donors who did not forget us, and allowed the Hospice Society to keep providing the extras that makes the house feel more like home.

The Penticton & District Hospice Society will be holding their 2022 AGM November 24th.

Best Wishes for the upcoming Holiday Season.
